GPPM has been helping people since 1997. Our bike program is staffed by all volunteers. Our goal is to provide bicycle transportation for people in need, and to try to inspire others to follow our example by finding their own way of showing community spirit and compassion to make the World a better place for everyone. On the day of a bike giveaway, we will conduct a bike safety lesson and repeat our mission. You will be called the week prior to the Saturday giveaway. If you need to contact GPPM, you may email us at [molsen@tampabay.rr.com](mailto:molsen@tampabay.rr.com), or call the University Baptist Church at (813) 971-7648. If you care to make a donation to the bike ministry, please mail to GPPM, at 2121 E. 131<sup>st</sup> St. Tampa, FL 33612.

God Bless You
